The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>		
<p><b>NOTICE OF APPEAL</b></p> <p>2. <input type="checkbox"/> The Notice of Appeal was filed on _____. Continuation of 3. NOTE: The amendment to the claim 5 has raised new issues by specifying "providing the Internet phone of the calling party with a short message transmission module" and "transmitting the short message including a telephone number of an Internet phone of the called party, from the short message transmission module of the Internet phone of the calling party to the short message transmission server". These new issues have changed the scope of the claim, and would require further consideration/search, therefore the amendment will not be entered.
